### UTAH BOARD OF OIL, GAS AND MINING TO MEET IN SPECIAL SESSION

The Utah Board of Oil, Gas and Mining will meet in special session on Thursday, November 13, 2008, at the University of Utah, S.J. Quinney College of Law, in the Moot Courtroom, 332 South 1400 East, Salt Lake City, Utah. The meeting will begin at 9:00 a.m.

The special hearing was scheduled because of the expected length of time required to take testimony from six separate companies involved in the matter. The matter before the board is a request to modify well spacing orders that cover the entire Greater Altamont-Bluebell-Cedar Rim/Sink Draw Field in Duchesne and Uintah counties.

The companies are asking for authorization to establish up to four producing wells per 640-acre or equivalent drilling unit. The companies involved are El Paso Exploration and Production Company, Devon Energy Corporation, Bill Barrett Corporation, Quinex Energy Corporation, Flying-J Oil and Gas, Inc., and Homeland Oil and Gas, Inc.
